

Slap on some double-sided tape to close the pad around the strap.

Make this small cut.  
Cutting through the whole strap will make the bag hard to carry!

**CHEAT SHEET**

Cut it out

Score on the dotted lines

Fold on the dotted lines

Tape it up

Insert eGift Card

Give it away

Fold up the eGift Card we emailed to you and put it inside your finished origami bag. The email contains all the details needed to spend the cash on some great bags.

Did you get carried away and cut off something important?
